

## Plastic Heilex Ring

Product No.: KPK-PHR

Illustration 8: Plastic Heilex Ring(KPK-PHR)

Compared with other products, Plastic Heilex Ring enlarges its surface area and void space which contribute a lot to enhance the Product Performance.

**Application:** Absorption, stripping services and Fertilizer production.

### Size & Specification:

Product Name	Size mm	Diameter* Height* Thickness mm	Surface Area m <sup>2</sup> /m <sup>3</sup>	Void Space %	Bulk Density kg/m <sup>3</sup>	Number/ m <sup>3</sup>	Packing factor m <sup>-1</sup>
Plastic Heilex Ring	Φ50	50×50×1.5	107	94	61	8200	128
	Φ76	76×76×1.8	75	95	56	3180	87
	Φ100	100×100×2.0	55	96	48	1850	62

Note: The bulk density given here is based on PP material.
